

**Time to Review TX Pre-k Guidelines
March 20, 2008**

The revised Pre-K Guidelines have been posted on the Texas Education Agency (TEA) website. This is a very important process and the children of Texas need your expertise. We encourage you to take time between now and **April 15, 2008** to review the guidelines and provide your comments.

You can access the Pre-k Guidelines at
http://www.tea.state.tx.us/ed_init/pkguidelines/.

The Texas Education Agency (TEA) gave the State Center for Early Childhood Development the task of facilitating the process to revise the Texas Pre-k Guidelines. The revised guidelines were developed with the expertise of writing teams and state and national experts, along with input gathered from multiple public forums across the state.

This feedback has been incorporated into the current draft of the guidelines, and you have until April 15th to provide feedback before it is presented to the State Board of Education for review in May 2008 and for final approval by the commissioner of education.

Our youngest Texans are counting on you! Please visit http://www.tea.state.tx.us/ed_init/pkguidelines/ between now and April 15th to provide your critical feedback. Thank you for all you do and please let us know if you have any questions.

Sincerely,

Your TECEC Team
